

WATERPROOF LED DRIVERS

- 12V DC constant voltage
- Load: 10W-200W
- Input voltage: 240V AC 50/60Hz
- Output voltage: 12V DC
- Protections: short circuit, overload, over temperature
- Ambient temp: -30 to 50°C
- 100% full load burn-in test
- Flex & plug included
- SAA approvals
- Maximum distance to light source: 15m

Note: Must be equal draw on each cable
